AWAKEN YOUR SENSE OF ADVENTURE

Philosophy

At MotoCalifornia, our mission is to make every moment unforgettable. From the exclusive villa accommodations and level of service you experience to the landscape and miles you roll through, we deliver a once-in-a-lifetime motorcycle traveling adventure like no other.

A typical day would start with a breakfast prepared by a private chef followed by the most jaw-dropping 150 - 250 miles on 2 wheels. We return to the villa in time for a massage and then cocktails by the villa's pool to trade stories of your day's adventure!

For couples with non-riding partners, we offer a myriad of ways to immerse themselves in the flavors of Tuscany: relax and unwind poolside, professionally lead yoga classes, massages and even daily shopping and touring trips into Florence by private car.

The semi-private (limited to 6 riders) journey is all-inclusive and pricing covers the stay at the Villa, a private chef and all meals, the motorcycles and tour guides, gas, airport transportation and so much more.

The adventure begins when you arrive on Saturday - we welcome everyone to the Villa with a small get-together BBQ. We found it's a great way to get to meet the other riders and to help you unwind and decompress from the travel and world you are leaving behind.
