A close-up, low-angle shot of a BMW motorcycle's fairing. The BMW roundel logo is prominently displayed in the center-left. The fairing is dark, possibly black or dark grey, with several silver screws visible. The lighting is dramatic, highlighting the contours and textures of the plastic. The background is dark and out of focus.

Roam

A marvellous location, nestled within the lavish woodland, olive groves and vines, Casolese offers a perfect country escape. The panoramic terrace, shaded by olives and an ancient mulberry trees, is the perfect spot for a lunch or for an aperitivo after a day out on the road.

Il Casolese consists of two separate houses with nine bedrooms. A distinctive contemporary design, with natural colour schemes and Italian designer furniture, is combined with the typical elements of the traditional Tuscan farmhouse.

Where  
**Comfort &  
Adventure**  
Converge

After a day on the road, return to the quiet rhythm of the villa.

Private suites offer a secluded space to unwind, while welcoming tables invite shared moments over good wine and unhurried meals.

Sun-drenched gardens, stone walls, and the sound of the river nearby invite you to slow down, whether it be by the pool, in the shade of the trees, or gathered together as the evening settles in.

This is where the journey pauses and comfort takes over.
